

Sports Pitch Chalk

Technical information sheet

25kg / Item no.099209 / EAN 4016215099209

High-quality sports pitch chalk for precise and highly visible sports and pitch markings. Suitable for all conventional dry marking trolleys and with very good adhesion to blades of grass. The purely natural product is non-corrosive, extremely economical and complies with DFB requirements. Ideal for football pitches, training fields and sports facilities - for clean, even lines and professional marking results.

- for sports field and pitch markings
- complies with DFB requirements
- For all conventional dry marking trolleys
- Good adhesion to blades of grass
- Pure natural product
- not corrosive
- Very economical

Area of application

Line marking paint for sports fields, natural and artificial turf and hard pitches. Good adhesion on dry grass and clear visibility even in the rain.

Preparation

The areas to be marked must be dry. The grass should be cut as short as possible.

Processing

Processing is carried out with appropriate dry marking equipment.

Consumption

per seat → approx. 50.0 kg

Storage

Keep container tightly closed, dry, cool but frost-free. If stored properly, best before: see batch label.

Notes

Keep out of reach of children. Only dispose of empty containers for recycling.
